# **THE NAKURU COUNTY MINORITIES AND MARGINALIZED GROUPS BILL, 2014**

## **MEMORANDUM OF OBJECTS AND REASONS**

In the Kenyan setting, marginalization is a continuing concern facing the government. The government, and more so the County Government of Nakuru, has a compelling interest in ensuring that all residents of Nakuru County have equal opportunity to advance their interests and ambitions without any fear of discrimination.

This Bill aims to give effect to the County Government's constitutional mandate to eliminate discrimination and inequalities against any individual or group of persons on the ground of sex, age, race, colour, ethnic origin, tribe, birth, creed or religion, health status, social or economic standing, political opinion or disability, and take affirmative action in favour of groups marginalised on the basis of gender, age, disability or any other reason created by history, tradition or custom for the purpose of redressing imbalances which exist against them.

The Bill proposes the establishment of a Marginalized Groups and Minorities Authority intended to monitor, evaluate and ensure that all applicable policies, laws, plans, programs, activities, practices, traditions, cultures, usages and customs, within Nakuru County, do not infringe on the rights of the marginalized groups and minorities.

It is the County Government's duty to safeguard the interests of all residents of Nakuru County without any discrimination. Thus, there is a need for a law that would address issues affecting marginalized groups and minorities within the County. As such the immediate passage of this bill is earnestly prayed for.

Dated the 25th September, 2014.
