COMMUNICATION FROM THE CHAIR

-BURIAL OF THE ASSEMBLY STAFF

-TRANSACTION OF HOUSE BUSINESS

The Temporary Speaker (Hon Eunice Muriithi): Thank you very much; as you are aware Members that there was an unfortunate demise of one of our assistant clerks Ms. Judy Nduku Maingi who passed on, on 25th August 2016. I wish to inform all Members that the burial date will be on Saturday, 3rd September 2016 at Wote area in Makueni County. Members are also reminded that the list of contribution towards the funeral arrangement is going around. Members are encouraged to give their contribution to assist the family and friends in organizing the funeral during this trying moment. The Assembly will be organizing for means of transport for those Members travelling to Makueni to attend the burial ceremony. May her soul rest in Peace.

I also would like to remind honorable Members that for some few days, we have not transacted much Business in the House. Last week we reminded Members having Bills that have not been completed or those with Reports that awaits to be tabled should dispense them off. We gave a two weeks deadline, which I think has almost elapsed, we need to transact lots of Business in this House. Those Members that can do Motions among other business of this House are most welcome.

Thank you Members; we stay adjourned until tomorrow at 9.30 am.
