PRAYERS

COMMUNICATION FROM THE CHAIR

PENDING STATEMENTS

The Temporary Speaker (Hon Justine Kihumba): Honorable Members I wish to draw to your attentions to the provisions of the Standing Order number 47 (2) (c) which state that a Member may request for a Statement from the Committee Chairperson related to the mandate of the Committee and the Speaker may either appoint a day of the Statement or direct that Statement be issued on the same day.

In this regard I wish to point out that several Statements have been requested before the floor of the House some dating back to the last Session but the chairpersons responsible have not responded by issuing the Statement or requesting for more time to do the same.

I therefore wish to direct that all Statements requested with due dates must be presented before the House tomorrow 18th May 2017. The concerned Committee chairperson are urged to take concern of this directive, I have noticed with great concern the persistence laxity in concluding pending committee work.

This has greatly affected the legislative agenda for this final part of the fifth session of the first Assembly of Nakuru, I therefore ask the committees to ensure that all pending work are concluded before next week, please take note of Bills, Reports and Petitions in various stages.
