COUNTY OF UNLIMITED OPPORTUNITIES

Nakuru Bunge e-Bulletin

EDITION 1 - JANUARY - MARCH, 2023

TABLE OF CONTENTS

Welcome to the County Assembly of Nakuru

Word From the Clerk

About the Assembly

Strategic Focus

Meet your MCAs

WORD FROM The Speaker

I am delighted to introduce the third assembly. Our focus for the term will be to carry out our constitutional mandate effectively. I am honored to work with our distinguished MCAs to serve the people of Nakuru.

Our mandate is clear - to legislate, represent, and provide oversight to ensure that the voice of our constituents is heard, their needs are met, and their aspirations realized.

Our agenda is based on three critical pillars: service delivery, economic growth, and good governance. We believe that by prioritizing these areas, we can improve the lives of the people of Nakuru.

On service delivery, we will work tirelessly to ensure that essential services such as healthcare, education, and water are accessible to all by allocating funds to all sectors. Through our legislative and oversight roles, we will collaborate closely with the County Executive and other stakeholders to identify gaps and come up with practical solutions that meet the needs of our constituents.

We remain committed to promoting economic growth, by creating enabling environment for businesses to thrive. This will involve allocating funds for infrastructure development such as roads and water, as well as providing incentives for investors to

set up businesses in Nakuru. Our aim is to create employment opportunities, increase income, and ultimately improve the living standards of our people.

We recognize that good governance is crucial to our success. Therefore, we will prioritize transparency, accountability, and integrity in all our operations. We will work with our oversight committees to ensure that public resources are utilized prudently and for the benefit of all.

We will adopt a collaborative and consultative approach to serve the people we represent. Through public participation, we will seek feedback on areas of prioritization and seek to understand the needs of our constituents. We will leverage technology to enhance communication and transparency through social media and online platforms.

I urge all MCAs to remain committed to serving the people of Nakuru with diligence, passion, and integrity. Let us work together to achieve our agenda and leave a lasting legacy for generations to come.

I want to reaffirm that the County Assembly remains steadfast in serving the people of our county to the best of our ability. We will continue to work relentlessly to create a better future for all residents. We are grateful for your continued support and engagement.

JOEL KARURI MAINA

Speaker - County Assembly of Nakuru
CASB CHAIR

WORD FROM **The Clerk**

It is with immense pleasure that I introduce the inaugural edition of the Nakuru Bunge E-Bulletin. With this bulletin, we aim to keep you informed about the latest developments within the County Assembly of Nakuru. As Acting Clerk of the Assembly, I am proud to present this digital platform that upholds our commitment to transparency, accountability, and effective communication with all our stakeholders.

Our primary objective is to provide you with timely, accurate, and informative articles that will keep you updated on our legislative agenda, representation activities, oversight mandate and budget-making activities. Through this platform, we will share our progress in passing laws that promote good governance, our efforts in overseeing the Executive, and other significant events happening within our Assembly.

We believe that this and subsequent E-Bulletins will encourage public participation and enhance transparency in our operations. We welcome your feedback, ideas, and participation in our efforts to make Nakuru County a better place for all. Our shared responsibility towards the prosperity of our county makes your input invaluable. I look forward to collaborating with you to achieve our goals.

JANE N. WAWERU

Ag. Clerk of the Assembly

CASB SECRETARY

about

THE ASSEMBLY

The County Assembly of Nakuru is the legislative arm of the County Government of Nakuru whose constitutional mandate is formulating laws that govern the County. The assembly is also tasked with over-sighting the operations of the executive arm of the county government, budget making for the county government and representation of the needs of residents of the county.

The third assembly is made up of 75 members, i.e., 55 elected Members of County Assembly (MCAs) and 20 Nominated Members. The Speaker of the assembly serves as an ex-officio Member.

The Assembly has a broad legislative mandate pertaining to creating a legal and legislative framework on various devolved functions including; Agriculture, Early Childhood and Vocational Training, Infrastructure, Health services, culture Sports and Community Services, County Roads, Transport and Public Works, Trade Tourism, Cooperative and Planning, Labour, Gender, Youth and Social Welfare, Information Communication Technology (ICT) and e-government among other functions. It also oversees the County Executive Committee (CEC), which is responsible for implementing policies and programs in the county. Through its legislative and oversight functions, the Assembly ensures that the County Government is accountable to its citizens and prioritizes their needs.

In accordance with the standing orders of the County Assembly, there exists 12 Sectoral Committees that bear the responsibility of overseeing the activities of line departments. Additionally, there are 12 Select Committees that serve other functions.

The committees are responsible for monitoring the implementation of county projects and programs to ensure their effectiveness and efficiency. They also ensure that the county government remains accountable to residents by providing regular updates on the progress of projects and programs. The committees are also responsible for identifying legislative gaps from where new laws are proposed.

To enhance its representation mandate, the County Assembly has established the office of the MCA in each of the fifty-five (55) wards to enable residents to access services from their respective representatives. These offices promote communication between the electorate and their elected representatives and allow residents to raise concerns about county government services. The ward offices enhance accessibility to services and improve service delivery in the county.

The County Assembly has a crucial role in the budget-making process, as it is responsible for reviewing and approving the annual budget for the County and its affiliate plans including; The County Fiscal Strategy Paper (CFSP), The County Integrated Development Plan (CIDP), The Annual Development Plan (ADP) and the Medium-Term Debt Management Strategy (Debt Strategy). During the budget making cycle, the assembly has embraced public participation as a constitutional principle in ensuring the electorate are involved in allocation of public resources.

The Assembly plays a crucial role in promoting transparency and inclusive governance in the County, as well as ensuring that the County Government is accountable to its citizens. Its commitment to serving the needs of all county residents is reflected in its efforts to carry out its core mandate effectively.

The Assembly staff pose for a photo after the outgoing Assembly Clerk, Mr Joseph Malinda, handed over the office to the incoming Ag. Clerk CPA Jane Waweru.
